

from Aimee Worley

coming to Karl Road Baptist Sunday, September 23

Are you a world Christian? Do you wonder what it means to be a world Christian? You might even be thinking “Yeah, I’m a Christian, but I don’t see much of a need to be a world Christian.” Well, God’s plan and story is for everyone, every people group, every country, everyone to know Him! God led Abraham, then Isaac, then Jacob and their descendents to places where they could be a blessing to all the peoples of the earth (Genesis 12) so that people would know and worship God. Some of those descendents were faithful to be world Christians and were a blessing to our ancestors and now we know God. Want to be a part of God’s story? Come to the Mission Revolution and learn how.

Mission Revolution is led by Todd Ahrend who is founder and director of the Traveling Team. Todd graduated from Northeastern State University, has a Masters from Dallas Theological Seminary and a Doctorate from Gordon-Conwell Theological Seminary. He and his wife, Jessica, have spent over a decade traveling both nation-wide and abroad, speaking to thousands of people about involvement in world evangelization. Todd has exposure in over sixty countries and has lived in the Middle East. He is the author of *The Abrahamic Revolution: God’s Mission in Motion* and *In This Generation: Looking to the Past to Reach the Present*. On September 23, 2012 we will host this exciting, one day conference right here in our own church. If you are a member or regular attendee of Karl Road Baptist Church, you get to attend the conference for free! We are also inviting folks from area churches to attend the conference for a fee of \$15 per person. Plan to spend the day getting excited about God’s story!

9:00 a.m. in Fellowship Hall

## The Biblical Basis of Missions

- ⇒ See the plan of God unfolding from Genesis to Revelation—the redemption of all nations.
- ⇒ Hear the whole Bible distilled down into one story with an introduction, a plot, and a conclusion.
- ⇒ Understand missions as the fundamental theme in scripture and not just at peripheral issue.
- ⇒ Gain a heart for the world.

10:30 a.m. in Sanctuary

## The History of Missions

- ⇒ Be inspired by the lives of key men and women who have been used by God over the past three hundred years.
- ⇒ Watch the transition as historically we have moved from seeing the world as nations to people groups.
- ⇒ Understand how God has used normal people with real obstacles and excuses to impact the world for His Kingdom.

12:00—1:00 p.m. **LUNCH**

1:15 p.m. in Sanctuary

## The Task Remaining

- ⇒ See the remaining task of missions in the world. This includes a closer look at the 10-40 window
- ⇒ Understand the basic beliefs in Islam, Hinduism, Buddhism, and Chinese and Tribal religions.
- ⇒ View the world from a new perspective: reached and unreached people groups.

2:15 p.m. in Sanctuary

## World Christian Habits

- ⇒ See missions as more than overseas work—everyone has a part to play. We will look at ways to be involved daily through praying, giving, mobilizing, and reaching internationals.
- ⇒ Explore the other side of missions. Be equipped with easy application points to live out a world Christian lifestyle.
- ⇒ Come away ready to challenge others to gain a heart for the world.

Register your attendance: <http://krbcmissonrevolution.eventbrite.com> or Kari 885-3929. Childcare will be provided.

We seek to *Glorify God* by building a family of believers passionate about Him where people are *Loved* the way they are, *Urged* to become more like Christ, and *Equipped* to share Christ in word and deed.

## Ordination Council for Ivy Wu

by Pastor Rick Breusch

Everyone in the church is invited to an Ordination Council for our own Ivy Wu on Sunday, September 23, at 6:30 p.m. in the Chapel. This is a very significant milestone in Ivy's life as well as for our church family. What happens at an Ordination Council? Ivy will read an ordination paper which she has written about her spiritual journey and theological beliefs. She will also answer ques-

tions from delegates present from the churches of the Columbus Baptist Association of which our congregation is a part. At the end of the meeting, the delegates will vote to affirm the ordination of Ivy as an American Baptist minister of the gospel. At a later time, our church will host a worship service where Ivy will be ordained.

Ivy and her husband, Emerson, have been members of our congregation for 15 years. Born in a Buddhist home in Taiwan, Ivy immigrated to our country and eventually put her trust in Jesus as her Savior and Lord. Eventually, she received a call to ministry and began her seminary studies. After her graduation, God made it clear to Ivy and Emerson that He was leading them toward missionary service. What a joy it has been for us to see American Baptist International Ministries confirm this call by recently approving them as missionaries to Macau! At present, they are in the midst of raising their financial support and we anticipate sending the Wus forth with much joy in the near future.

Please join us for Ivy's ordination and help us celebrate a wonderful event!

## Music Ministry Opportunities

by Jeannette Muzzalupo

As fall quickly approaches, I am praying that God will tug at your heart about getting involved in the music ministry. God has given you many talents—those talents are His! Please consider this a personal invitation to become involved. I am always amazed at what God can do with a willing heart. Even the most unsuspecting person can truly grow into a wonderful musician.

Please continue to pray for the music department that God's will be accomplished. Each week we need God's anointing as we approach His throne to offer up a sacrifice of praise. The desire of the music ministry is to see people come to a saving knowledge of Jesus through what we do, while also drawing people into a close relationship with our Lord.

There are many areas of the music ministry that you can become involved in. The Chancel Choir is open to any adult or high school student who has a desire to sing. Weekly rehearsals take place in the sanctuary from 7:00 p.m.—8:30 p.m. on Wednesday nights. The first rehearsal of the season will take place on September 12.

The Praise and Worship Team is open to those who have the ability to read music and the desire to lead the congregation in worship by singing or playing an instrument. A brief audition for our music staff is necessary before participating in this group. The Praise and Worship Team rehearses in the sanctuary from 6:00 p.m.—7:00 p.m. every Wednesday night.

The Technology and Audio Team is a quickly growing area of the Music Ministry needs. We are looking for people who have computer, software, audio, and sound capabilities to work in this area.

Our music department is hoping to use the handbells for special occasions throughout the church year. We are looking for people who have the ability to read music and are willing to attend a few brief rehearsals. Dates and times for rehearsals will be announced at a later time.

Please contact the church office and indicate the area of the Music Ministry that you would like to become involved in.

# Back to School Party

## held Saturday, August 18

by Beth Ash

We hosted our third Back to School Party. Over 80 backpacks were given out to children who attended the Jesse Coles Day Camp and the food program this summer. There were between 150 and 200 parents and children at the event. We were able to talk with many families and invite them to our church for Sundays, Wednesday club programs and other activities. Several children have already signed registration forms for After School Club. Some families whose children participated in Mothers' Day Out last year encouraged other families to involve their little ones in the program.

Thank you to all who donated school supplies and backpacks along with those who gave your time and effort to make both ministries such a fruitful means of sharing the love of Christ with children. A huge debt of appreciation goes to all who helped to pack the backpacks and host the party. Praise to the Lord for all He has done this summer!

**thank  
you**

How grateful we are for the warmth and generosity of the children in Jesse Coles Day Camp who brought their pennies to help send us to Macau, China on mission. We hope they are learning early that God uses everyone in various ways to be missionaries. Thanks also to everyone who participated in the garage sale, whether by giving donations to sell, making purchases or giving so many hours to set up and close out. The abundance and variety of items was astounding! We are so very thankful for the good result. Most of all we are thankful for every prayer from each person. Prayer is the strength and encouragement that sustains us through the Holy Spirit. God is so good.

Emerson & Ivy Wu

A heartfelt thank you Pastor Breusch and Pastor Perry for your uplifting visits. Thank you to my church family for prayers, cards and caring concern during my extended illness.

Sandra Carnes

We thank you for the cards, visits and many prayers in our behalf as I recover from my accident. We are truly blessed.
