Who Wants to be a Tither?

The TV game show, *Who Wants To Be A Millionaire?*, is not as popular as it used to be, but you can still catch it most evenings. It's a general knowledge/trivia show where contestants answer progressively more difficult, multiple choice questions until they get the opportunity to answer a question worth \$1 million. This brief message series is a kind of spoof on that game show. You will recognize some of the TV show's unique lingo in the message titles below.

Giving and tithing can be a touchy subject, to be sure. Why talk about it, then? First, God has given us a wealth of information about finances in His Word. The more we bring our lives into conformity with biblical principles around money, the more we will experience God's blessing. Second, to my knowledge I've never offended someone who tithes when I speak about tithing. Perhaps hurt feelings indicate an area where God wants to see us grow and change. I hope you will come and hear each message with an open heart and mind before the Lord.

MEET OUR NEW CHURCH ADMINISTRATOR

by Pastor Rick Breusch

I am pleased to announce that upon my recommendation, Ministry Council has confirmed the selection of Mrs. Kari Lashley to the new staff position of Church Administrator effective June 1. As most of you know, Kari and her husband, Jeff, have been faithful and active members of our congregation for 44 years (Kari) and 31 years (Jeff), respectively. In addition, Kari has also served as a member of the office staff for 20 years.

Kari Lashley

As Church Administrator, Kari's responsibilities will fall into three areas primarily. First, she will help to manage any and all aspects of the church facility's maintenance and improvement. Second, she will oversee the use of the building and grounds by members as well as outside individuals and groups. Third, she will supervise the two remaining office staff members, Mrs. Carole Reynolds and Mrs. Marty Moore. She will have other additional responsibilities as well. Kari will be a part-time, salaried member of the Program Staff of the church. As such, she will work closely with Phil MacLean who serves currently as the Building & Grounds Ministry Team Leader. Over the years, Kari has demonstrated strong administrative gifts as well as an interest in mechanical and technological matters. Because of her long history with the church, she brings with her lots of knowledge about our ministry and building that will serve us well in the years to come. In the near future, she will move across the hallway into Pastor Perry's old office as she begins her new ministry role with us.

Will we replace Kari's office staff position with a new person? No. It is our hope and plan to move forward with our existing staff. Obviously, this will mean some rearranging of responsibilities, streamlining of current office tasks and perhaps greater reliance upon volunteer efforts where possible. As you may be aware, there has been an intentional effort over the last year to re-balance the church's overall budget by reducing the size of the staff expenses budget. The most important result of this re-balancing effort will be to make more dollars available for ministry initiatives by both our staff and our Ministry Teams.

About her new ministry position, Kari has the following comment. "I'm excited to start a new phase serving the Lord, and I look forward to His leading me through new adventures here at KRBC." I invite you to join me in congratulating Kari on her new ministry in our midst and, also, to pray for her regularly that God would bless and use her gifts for His glory in this place.

(Engage)ments Without a Ring

by Aaron Joiner

Hey, my name is Aaron Joiner and I'm the Youth Ministry Intern here at KRBC! I am privileged to announce the new, weekly youth group gathering dubbed "Engage". Sound's edgy— right? It should! Engage is geared towards middle/high school people that don't call Jesus their personal Lord and Savior. With that in mind, my team and I will create an environment that welcomes these students where they are and encourages them to have a relationship with the Lord! The cool thing about this approach is equipping and challenging the students who are already Christ followers to engage in spiritual conversations with their peers! It is a student's mission field within the church!

Discipleship is key!

Discipleship is the main ingredient to this daring mission. As a young Christ follower, one must be built up and into spiritual maturity. Disciplers will dive into the student's life and discover new ways to pray for them. They will teach new ways to study the bible and share experiences from their own life. Lastly, they will challenge the student in their personal and public ministry i.e. reading scripture every day, sharing the gospel.

Finish Line Plan!

This new youth group has many purposes but two stick out to me the most. First is, engaging the Northland area youth in an effort to push them towards Christ. Secondly, building student followers to deepen their relationship with Jesus and equipping them to be missional. Lastly, I would like to thank you for making this internship possible! From the church council, people who have supported me prayerfully and those who supported me financially. Engage will be a positive step forward in the life of the congregation and in the spiritual vitality of the Northland community!

Visiting my church since September, they've shown me nothing but love, kindness and understanding. It is surely an amazing group of amazing people. This morning I got up the gusto, answered the invitation and expressed my desire to join. It was only through the most interesting set of circumstances was I led there, and I simply can't wait to see where God wants to use me.

Thank you so much for your kind words and thoughtful parting gift. It was a pleasure to serve in worship with all of you for the past two plus years. I appreciate your thoughtful gift of the three crystal candles. I will remember each of you as I set them out for family dinners at the holidays. Thank you for your prayers and support over the years and thank you for your kind thoughts for the future. I wish you the best and pray that God will continue to bless each of you.
Jeannette Muzzalupo

The planter sent in memory of my mom (Mary B. Dailey) was exactly what she would have wanted. She loved carnations and they were beautiful as was the plant. Your thoughts and prayers helped me at a very difficult time far from home.
