

## Saturday, June 6 6:00 pm Fellowship Hall

by Pastor Rick Breusch

### A Great Event

All of the males in our church of whatever age are invited to join us for a wonderful event. The menu features grilled steak, roasted red potatoes, macaroni and cheese, asparagus, green beans, and assorted desserts provided by the ladies of KRBC. This is a great event to invite other men who don't attend KRBC to enjoy with you! Our time together, men, will offer great food, great fellowship, and ...

### A Great Speaker

After dinner, we will have the privilege of hearing from Clarence Mingo, Franklin County Auditor. Mr. Mingo is a dedicated public servant and a follower of Jesus. The theme of our men's ministry this year has been learning how different men in our congregation merge following Jesus with their respective careers and professions. Mr. Mingo will bring that personal perspective to his comments to us that evening.

**Clarence Mingo**  
Franklin County Auditor

Here is some additional information about our speaker. A veteran of the United States Army, Clarence answered the call of service and served honorably with the coalition forces that liberated Kuwait during the 1991 Persian Gulf War.

Upon his return, Clarence attended The Ohio State University where he earned his undergraduate and law degree. Clarence then re-focused his commitment to service to his community as an attorney in private practice, helping to protect those citizens most in need. Franklin County courts frequently appointed Clarence to serve as a Guardian ad Litem (child advocate), representing the interests of children in abuse, neglect and divorce cases.

He also serviced the Legal Aid Society of Columbus' Neighborhood Service's project. In this capacity, Clarence was one of three attorneys who represented indigent county residents with legal issues involving housing, public benefits, bankruptcy, expungements, civil protective orders, and custody matters.

In 2009, Clarence was appointed as Franklin County Auditor.

In both 2010 and 2014, Franklin County voters awarded Clarence a full four-year term. As Auditor, Clarence ensures that Franklin County residents are offered the best public service in fiscal, real estate and consumer protection. Clarence is committed to seeking new and innovative ways to expand the services of the Auditor's office to each resident of Franklin County.

Clarence and his wife Angela married in 1992. They are the proud parents of Annalise and Ava Mingo. The family resides in New Albany, Ohio and look forward to greater opportunities for service.

### A Great Price

The ticket price for the meal is **\$10** per person. However, if you purchase any additional tickets for someone else such as your son, a friend, or a neighbor the price will be **\$8**. You may purchase tickets on Sundays, May 17, 24 and 31 in the main lobby after the worship service. You can pay by cash, a check made out to KRBC, or using your credit or debit card.

You may also purchase tickets online at our church's website: [www.karlbaptist.org](http://www.karlbaptist.org) anytime between May 17 – 31. Please be aware, however, that you will be charged a small, additional fee per ticket for any online purchases.

worship  
aNEW

**Sunday, June 21 at 10:30 a.m.**

On November 16, 2014, KRBC held its first **Worship aNew** service and because we had such a wonderful time praising and worshipping the Lord, we're going to do it again! If you were present on November 16, no doubt you'll remember the inspiring "cardboard testimony" parade that highlighted the service. Now, we're looking for others to share their cardboard testimonies on June 21. This is a wonderful, and easy way to bear witness to the work God has done in your life and to glorify Him!

## Audio-Visual Upgrades

by Karen Burkhart

The KRBC Worship Ministry is thrilled to let you know by the time you read this newsletter that extensive upgrades will have recently been made to the audio and visual systems in our Sanctuary. The improvements fall into three categories and are all intended to enhance our worship experience at KRBC.

First, a larger screen made of better, light reflecting material along with a brighter projector will greatly improve visibility of projected images, even when the blinds are open on a sunny day!

Second, the older projector has been repositioned to the back of the sanctuary, allowing those on the platform to see what the congregation sees! One benefit of this feature will be that, eventually as comfort-level increases, the Praise Team will give up music stands and increase their engagement with the congregation.

Third, the move to in-ear monitors for the band and singers will virtually

eliminate the stage volume (except when the grand piano is played) that reverberates around the sanctuary. This will allow our audio team to fully control the mix and volume that the congregation experiences. Another benefit is that the band and singers will be able to customize their own mixes in their ears, resulting in a tighter blend.

Over the next several weeks and probably even months, training will take place to maximize the impact of these upgrades. As with all technology upgrades there will be a "learning curve." We will appreciate your patience and support as we work out any kinks and adapt to doing things in a new way. Know that our overall goal is to make life easier for our dedicated volunteers, improve sights and sound for our congregants and visitors, and remove hindrances and distractions to our worship of our King! Please join with us as we celebrate the provision of these upgrades!

## Thank You Notes

I would like to give many thanks to my church family for their prayers, Pastor Rick's calls, and the many cards that encouraged me so much. Special thanks to the Branches class for their strong support. Ann Block

Thank you for the lovely flower and the card made by the children. It truly lifted my spirits and was appreciated as was the visit by Laurie Huston. Dixie Stefanelli

I want to thank all of you who visited me in the hospital and all those who sent me cards. I also appreciate all of your prayers during my recent illness. Bea MacLean
